Subject: FW: Pumper Truck solution in TEGA CAY is no solution....
Attachments: SICK OF THEM

Dear Ms. Sparrow:

Your pumper truck "solution" during yesterday's rain event in Tega Cay is NO SOLUTION AT ALL.

Residents here are tired of the shenanigans...and we demand action to prevent further contamination from sewage spills into our neighborhoods and lake!

Since UTILITIES, INC. has proven incapable of making lasting improvements to its antiquated system, THE TIME HAS COME FOR YOU TO SURRENDER THE OPERATION OF THIS WATER/WASTEWATER SYSTEM TO TEGA CAY AT A FAIR PRICE!

Stop gap fixes are no longer acceptable.

We will continue to petition our representatives at the local, state and federal level until we have the clean water for which we pay dearly--and an end to the sewage overflows, blockages and spills.

Sincerely,

Kathleen Hess
